

DECLARATION OF PERFORMANCE

European technical approval ETA-07/0072

Compliant with Regulation (EU) No. 305 / 2011 passed by the European Parliament and Council on 9th March 2011 defining harmonised conditions for the sales of construction products. The product named in this declaration was produced by the manufacturer shown. The high product quality is checked continually through self-monitoring measures.

- I.** Product: **ISO-BLOCO 600**
- II.** Ident. no.: IC-264
- III.** DoP no.: 2013-264-01EN
- IV.** Purpose: ISO-BLOCO 600 is suitable for use as a sealing system in accordance with the manufacturer's specifications
- V.** Manufacturer:  **ISO-Chemie GmbH**
Röntgenstraße 12 • 73431 Aalen, Germany
Tel 07361 / 94 90 - 0 • Fax 94 90 90
info@iso-chemie.de • www.iso-chemie.de
- VI.** Harmonised standards: ETA request No 06.05/01:2007
- VII.** European technical approval: ETA-07/0072
- VIII.** Essential characteristics:

Essential characteristic	Performance	Harmonised technical specifications
Impermeable to driving rain	DIN EN 1027:2000	sealed till 600 Pa; category 7a DIN EN 12208:2005
Air permeability coefficient	DIN EN 1026:2000	$a \leq 1,0 \text{ m}^3/[\text{h}\cdot\text{m}\cdot(\text{daPa})^n]$; min. category 2 DIN EN 12207:2005

- IX.** The performance of the product specified in no. I + II complies with the declared performance in no. VIII. The manufacturer named in no. V bears sole responsibility for preparation of the Declaration of Performance.

Dr. Martin J. Deiß
Managing Director, ISO-Chemie GmbH
