

Safety Data Sheet

according to Regulation (EU) No. 1907/2006

PAVATAPE 20

Print date: 25.11.10

Product code: 210000070

Page 1 of 4

1. Identification of the substance/preparation and of the company/undertaking

Product group: Butyle

Identification of the substance or preparation

PAVATAPE 20

Use of the substance/preparation

Preformed butyl sealing tape/strip

Company/undertaking identification

Company name:	PAVATEX SA	
Street:	Rte de la Pisciculture 37	
Place:	CH-1701 Fribourg	
Telephone:	+41 (0)26 426 31 11	Telefax: +41 (0)26 426 32 00
Contact person:	Matthias Oelhafen	
e-mail:	matthias.oelhafen@pavatex.ch	
Internet:	www.pavatex.com	
Responsible Department:	Technologiecenter	

2. Hazards identification

Classification

This preparation is not classified as dangerous according to Directive 1999/45/EC.

Explication of special hazards for human health and environment

None known.

3. Composition/information on ingredients

Chemical characterization (Mixture)

Sealing tape based on butyl rubber, polyisobutylene, fillers and auxiliary agents

4. First aid measures

General information

No hazards resulting from the material as supplied.

After inhalation

Exempt

After contact with skin

Exempt

After contact with eyes

Exempt

After ingestion

If you feel unwell, seek medical advice (show the label where possible).

5. Fire-fighting measures

Suitable extinguishing media

water spray, carbon dioxide (CO₂), foam, dry powder.

Extinguishing media which must not be used for safety reasons

high volume water jet

Special exposure hazards arising from substance or preparation itself, combustion products, resulting gases

carbon dioxide (CO₂)

Safety Data Sheet

according to Regulation (EU) No. 1907/2006

PAVATAPE 20

Print date: 25.11.10

Product code: 210000070

Page 2 of 4

Special protective equipment for fire-fighters

In the event of fire, wear self-contained breathing apparatus.

6. Accidental release measures

Personal precautions

Wear suitable protective clothing.

Environmental precautions

No special environmental precautions required.

Methods for cleaning up/taking up

Use mechanical handling equipment. S40 - To clean the floor and all objects contaminated by this material, use White spirit .

7. Handling and storage

Handling

Advice on safe handling

No hazards resulting from the material as supplied.

Advice on protection against fire and explosion

No special precautions required.

Storage

Requirements for storage rooms and vessels

Keep tightly closed in a dry and cool place.

8. Exposure controls/personal protection

Exposure limit values

Exposure controls

Occupational exposure controls

Exempt

Protective and hygiene measures

When using, do not eat, drink or smoke.

Respiratory protection

No personal respiratory protective equipment normally required.

Hand protection

not required under normal use

Eye protection

not required under normal use

Skin protection

not required under normal use

9. Physical and chemical properties

General information

Physical state: solid

Colour:

Odour: mild, mild

Important health, safety and environmental information

pH-Value:

Test method
neutral

Safety Data Sheet

according to Regulation (EU) No. 1907/2006

PAVATAPE 20

Print date: 25.11.10

Product code: 210000070

Page 3 of 4

Changes in the physical state

Flash point:	> 180 °C
Lower explosion limits:	not applicable
Upper explosion limits:	not applicable
Water solubility:	practically insoluble

Other information

Decomposition temperature: Depolymerization starting from > 250 °C.

10. Stability and reactivity**Conditions to avoid**

Stable under normal conditions.

Materials to avoid

acids

Hazardous decomposition products

No decomposition if stored normally.

11. Toxicological information**Acute toxicity**

None under normal processing.

Specific effects in experiment on an animal

None known.

Corrosive and irritant effects

None reasonably foreseeable.

Sensitising effects

None reasonably foreseeable.

Severe effects after repeated or prolonged exposure

None known.

12. Ecological information**Ecotoxicity**

This product has no known eco-toxicological effects.

Further information

Ecological injuries are not known or expected under normal use. The product is insoluble and sinks in water.

13. Disposal considerations**Waste disposal number of waste from residues/unused products**

070299 WASTES FROM ORGANIC CHEMICAL PROCESSES; wastes from the MFSU of plastics, synthetic rubber and man-made fibres; wastes not otherwise specified

Waste disposal number of used product

070299 WASTES FROM ORGANIC CHEMICAL PROCESSES; wastes from the MFSU of plastics, synthetic rubber and man-made fibres; wastes not otherwise specified

14. Transport information**Land transport (ADR/RID)**

Safety Data Sheet

according to Regulation (EU) No. 1907/2006

PAVATAPE 20

Print date: 25.11.10

Product code: 210000070

Description of the goods

Not dangerous goods

Inland waterways transport**Description of the goods**

Not dangerous goods

Marine transport**Description of the goods**

Not dangerous goods

Air transport**Description of the goods**

Not dangerous goods

15. Regulatory information**Labelling****Additional advice on labelling**

The product does not need to be labelled in accordance with EC directives or respective national laws.

National regulatory information

Water contaminating class (D): 1 - slightly water contaminating

16. Other information**Further Information**

These data describe only the safety requirements for the product(s) and are based on our present knowledge. However, they do not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.

(The data for the hazardous ingredients were taken respectively from the last version of the sub-contractor's safety data sheet.)
